ABHINAV SHARMA

Project Manager – Learning Content & Multimedia Production

+91 8219158080 • abhinav.abvs04@gmail.com • Dharamshala, Himachal Pradesh, India • Open to Relocate • LinkedIn • Portfolio

SUMMARY

Project management professional with 4+ years of experience leading end-to-end execution of learning content and multimedia production projects across eLearning, XR, and interactive formats. Proven track record coordinating cross-functional teams — instructional designers, SMEs, artists, and developers — to deliver client-facing learning content on schedule and to spec. Skilled in tracking project timelines and milestones, managing budgets within tight variance, and introducing reporting frameworks that reduce scope creep. Currently leading a 6-person multimedia team at DJX Labs, delivering XR-based training content including a VR training program for the United Nations Population Fund.

SKILLS

Project Coordination & Stakeholder Management, Learning Content Development Lifecycle, Quality Assurance & Content Review, Risk Mitigation, Budgeting & Cost Control, Client Communication, Cross-functional Team Leadership, MS Excel, PowerPoint, Asana, Jira, Notion

EXPERIENCE

Project Creative Manager — DJX Labs

Noida, India | Jan 2026 – Present

- Leading a 6-person 3D and multimedia team, delivering 5+ XR training and learning projects on timelines ranging from 1 week to 4 months, all completed on schedule
- Coordinate with instructional designers and SMEs to ensure XR training content meets instructional and quality standards, including a VR midwifery training program for the United Nations Population Fund (UNFPA)
- Delivered XR exhibits for museum clients and managed Unity-based interactive projects across multiple production formats
- Manage end-to-end client servicing for learning and interactive media projects, translating client requirements into production specs and bridging communication between artists, developers, and stakeholders
- Oversee delivery of client-facing interactive and XR experiences for major events and exhibitions (ADIHEX, UAE presentations for POP and Mankous), ensuring on-time, on-spec delivery

Associate Project Manager — Newus

Remote, India | Sep 2024 – Dec 2025

- Directed production cycles using Agile sprint restructuring to maintain project plans and schedules across multimedia production platforms, resulting in a 30% reduction in project go-live time
- Liaised with Production/Leads and synchronized information across cross-functional teams (12+ members), partnering with Project Managers and tech leads to ensure timely contribution to 3+ learning modules
- Introduced formal reporting frameworks in Asana that improved tracking and cut scope-change requests by 20%

NIIT Learning Systems Limited

Gurugram, India | Jun 2022 – Aug 2024

Clients: Anglo American, Rio Tinto, Skillsoft and more

Media Visualizer Mar 2024 – Aug 2024

- Worked on media production for global learning content projects across 3D, animation, and video
- Maintained timeline discipline, consistently completing projects within allocated resources and reducing rework through early risk mitigation and mid-sprint quality control reviews

Media Designer Mar 2023 – Mar 2024

- Introduced a Blender and Unreal Engine production framework for Skillsoft, reducing render time by 70%
- Delivered 2+ motion graphics projects for client-facing learning deliverables, ensuring quality and consistency standards were met

Senior Artist Jun 2022 – Mar 2023

- Developed and delivered learning content 3D assets within a structured production pipeline, contributing to an increase in learner engagement across training modules
- Delivered 5+ interactive simulations in collaboration with instructional designers, coordinating with editors and motion designers.

Design Intern — Stic-Stac Bengaluru, India | Jan 2021 – May 2021

- Participated in end-to-end creative production workflow, from concept to deployment, partnering with leads and project managers to keep deliverables on schedule

EDUCATION

Master of Arts in Design Innovation Management

De Montfort University, United Kingdom — GPA 3.83/4 — Graduated with Distinction

Bachelor of Science in Computer Games Development

Asia Pacific University, Kuala Lumpur, Malaysia — GPA 3.7/4 — First Class Honours

CERTIFICATIONS

Project Management Fundamentals, IBM • Asana Workflow Specialist, Asana • Enterprise Design Thinking Practitioner, IBM
